IN YOUR CITY

# JINIA ENTERPRISE

An Exclusive Car Rental Service

## Who We Are

### Business Profile:

Jinia Enterprise has been established more than 10 years. Through the years the corporation gained a deep-rooted reputation for its promise to offer quality, well-timed and incomparable customer service.

The establishment has developed and been enriched with a great eligible experts and crew, continuously aiming at client satisfaction and the fulfilment of their desires.

Since our clientele is expanded, we offer a wide selection of new models starting from small city cars, medium sized, automatic and luxury cars able to satisfy or give mobile solution at any of your specialized or private necessities. All car models we provide, are first-hand and in excellent condition.

Due to high class facilities we have built a compact substance of steady clients and continue to grow, adapt and change as needed to meet your requirements. In addition, to well serve our customer needs, The head office of our car rental company is situated at the north Gulshan-2 Circle, 20 minutes away from the International Airport that is accessible with public transport.

Years of experience, our wide selection of vehicles and our ability to respond quickly to client needs made us one of the most popular vehicles rental company in the capital city of Bangladesh and around the country.

We cordially invite you to enjoy the monuments and the sights here in Dhaka and all around the country by travelling with a reliable vehicle of our fleet. Don't forget, our helpful and experienced staff is always available to help you.

Our product is not vehicles but customer satisfaction delivered by people
